

Yiwu Tongle Packing Products Co.,Ltd is one of the leading gift packaging

designer, manufacturer and distributor in China since 2014 and currently exports to major world markets. Now we have 3 factories located in the world famous international trade city-Yiwu China, one for gift bags, one for gift boxes and one for the gift wraps.

Our great passion on the paper gift packaging makes us constantly innovate with new materials and finishes to ensure we continue to set the trends that others follow. Tongle has a strong designer team and every month we have new designs with new trends developed. From initial concept ideas, all the way to the sale of paper bags, boxes and wraps in our customer's store, we manage and care for every aspect of the business in between.

For our own designs, our strategy is to keep a wide range of stock available at any time when customers need. No matter which areas you are from, we are pretty sure that there must be some designs with stock suitable for your market.

For bespoke gift bags, boxes and wraps, we are also dedicated to creating best solutions to customers who require their own-branded exclusively designed products.

Best quality with reasonable prices have been always our continuous pursuit, we care all clients from all around the world, no matter how big or small business you are now. Tongle has been ready to grow with you together.
